

Wiedemeyer

Your Partner for Logistics

Since 1933, the name Wiedemeyer stands for outstanding performance in all areas of logistics. On request, we take over the coordination and handling of your complete transportation logistics, including **factory and company relocations** – in **Germany** and other **European countries**. All these activities require extensive expertise and many years of experience, which enables us to assist you in your projects at very short notice.

Take advantage of our modern **truck fleet**, our **extensive storage facilities** and in particular of our mission

Reliability – Punctuality – Flexibility

that is associated with **competence**, **commitment** and **high service and customer orientation**.

We are looking forward to get in touch with you and to begin a long-term and economically successful cooperation.

We solve your logistics problems.
